

**Loxahatchee River District  
Master Lift Station Traveling Bridge Crane**

**Addendum Number 2**

October 28, 2021

The following clarifications and modifications are hereby made to the bidding documents for the above referenced project.

Acknowledge receipt of the addendum by inserting its number on Page 17 of of the bid. Failure to do so may subject the bidder to disqualification.

**Item 2-1      The following are questions asked after the pre-bid and the corresponding answers. As the deadline for questions has now passed, no further questions will be answered via addendum.**

**Questions**

1. We'd like to inquire about the required experience. Does the 5 jobs within the past 5 years need to be completed by us directly or would our subcontractors experience also qualify?

**Due to the nature of the work, subcontractors experience will qualify.**
