

NOTICE TO CONTRACTORS

Bids will be received by the Loxahatchee River Environmental Control District (the “District,”) via DemandStar until **2:00 p.m.** local time on **January 4, 2022**. Any Bids received after **2:00 p.m.** local time on **January 4, 2022**, will not be accepted under any circumstances. Any uncertainty regarding the time a Bid is received will be resolved against the Bidder. The Bids will be publicly opened and read aloud on **January 6, 2022 at 2:00 p.m.** local time in the Governing Board room of the District, at 2500 Jupiter Park Drive, Jupiter, Florida. The Work to be performed is located in the Town of Jupiter, within Palm Beach County, and consists of furnishing all labor, tools, materials, and equipment necessary for the installation of a new gravity sewer system as shown on the Contract Plans and Specifications and as specified herein to include:

ITB #21-006-00105 :

JUPITER INLET LIGHTHOUSE SEPTIC TO SEWER CONVERSION

Installation of approximately 1,290 linear feet of 8-inch gravity sewer and seven manholes to serve 8 structures on the Jupiter Inlet Lighthouse Park property. Project includes installation of a new commercial duplex lift station and connection of a new 2” discharge force main from the station to an existing 2” force main. The commercial duplex station will be furnished by the Owner. The project also includes installation of three low pressure residential grinder pump stations and associated 2” low pressure force main. The Project also includes replacement of the existing private potable water system with new 8” and 6” PVC water mains and services, fire hydrants, and connection of the new water system to the existing water meter. Work includes site modifications including grading and demolition of existing asphalt roadway and replacement with sod and compacted shell rock, as well as various stormwater improvements including construction of swales. The Work includes general conditions, bonds, indemnification, mobilization, demobilization, start-up, testing, record drawings, operation and maintenance manuals, training, and any all other necessary items to provide a complete and operating system.

The District reserves the right to determine material elements of the Bid and to award the Contract, if at all, to the lowest, qualified, responsive, and responsible Bidder. The District further reserves the right to reject any and all Bids; to not proceed with the Project; and/or to waive any irregularities contained in a Bid.

A pre-bid conference will be held at 2:00 p.m., local time on December 7, 2021 via Microsoft Teams. A meeting invite will be distributed to all plan holders prior to the scheduled date and time. If a bidder downloads Bid Documents from the District’s website, the bidder must send a request to be included in the pre-bid conference meeting invite to **purchasing@lrecd.org**. All contractors planning to submit Bids on this Project are encouraged to attend.

Bid Documents may be downloaded at the District’s website, <https://loxahatcheeriver.org/governance/purchasing-bids/> or from DemandStar. Bid Documents will be available on November 22, 2021 after 8:00 a.m. local time. The Bid Documents are made available on the above terms solely for the purpose of obtaining Bids and do not confer a license or grant for any other use. Character and amount of security to be furnished by each Bidder are stated in the Instruction to Bidders. The Bidder shall hold its Bid open for acceptance by the District for a period of not less than ninety (90) calendar days following the date of the Bid opening.

This solicitation has been issued as an Electronic Bid with the same title on DemandStar. To submit a response for this bid electronically, follow the instructions on DemandStar. Electronic responses are the only method allowed for Bidders to respond to this solicitation. Bids shall be submitted on or before the date and time specified.
