MEMORANDUM

TO: Kris Dean, P.E., Deputy Executive Director /Director of Engineering
FROM: Jason A. Pugsley, P.E., Operations – Plant Manager
DATE: March 7, 2022
SUBJECT: Clarifier No. 3 Rehabilitation – ITB #22-006-00116
Bid Evaluation Summary

On February 24, 2022, at 2:00 pm, the District opened bids for the referenced project. There was a total of five (5) bids submitted for the project as follows:

Bidder	Bid Price
Rebuild-It Services Group, LLC	\$259,514.00
D & S Steel, Inc.	\$500,000.00
E & D Contracting Services, Inc.	\$534,222.00
Lawrence Lee Construction Services, Inc.	\$624,000.00
Razorback, LLC	\$756,000.00

The bids were submitted electronically via DemandStar and read aloud publicly in the District's Governing Boardroom. Upon opening the bids, it was determined that the Bid Price submitted by each Bidder significantly exceeded the current project budget amount of \$150,000.00. Based on this significant exceedance the District does not currently have adequate funding to Award a Contract to any Bidder. It is recommended that the District explore opportunities to rescope and re-bid the project to be consistent with the current project budget amount and market conditions. Rescoping of the project may include self-performing specific work tasks in-house and/or eliminating specific project work tasks altogether.

Let me know if you have any questions.

Sincerely,

Jason A. Pugsley, P.E.
