1. Introductions:
 - Owner – Loxahatchee River Environmental Control District
2. Non-mandatory Pre-Bid Meeting
3. Intent:
 - Inform bidders about project.
 - Nothing said in this meeting changes the Bidding Documents.
4. Scope: It is the Loxahatchee River District's intent and the purpose of these specifications to secure a qualified vendor to furnish materials and supplies necessary to provide Simplex Residential Grinder Pump Stations for installation by others.
 - To specify requirements for simplex residential submersible grinder lift stations, and to cover the fabrication, assembly, shop testing, delivery of materials, equipment and appurtenances for a simplex grinder pumping unit.
 - The vendor shall be the supplier of the submersible grinder lift station.
 - All equipment shall be furnished through the manufacturer of the submersible grinder lift station vendor who shall be responsible for the design, shop assembly, delivery and functioning of the equipment specified. The submersible grinder lift station manufacturer shall verify that each component of the grinder lift station system is compatible with all other components, that piping, conduit, conductor sizes are appropriate and that all devices necessary for proper operation of the equipment have been provided.
