A Palm Beach County Local Business Tax Receipt (Occupational License) is required unless specifically exempted by law. In lieu of a Palm Beach County Local Business Tax Receipt (Occupational License), the bidder should include the current Local Business Tax Receipt (Occupational License) issued to the bidder in the response. It is the responsibility of the successful bidder to ensure that all required certifications, licenses, and permits are maintained in force and current throughout the term of the contract. Failure to meet this requirement shall be considered default of contract.
- c. **DRUG FREE WORKPLACE CERTIFICATION:** In compliance with F.S. 287.087 attached form "Drug-Free Workplace Certification" should be fully executed and submitted with bid response in order to be considered for a preference whenever two (2) or more bids which are equal with respect to price, quality, and service are received by LRECD.

- d. **CONDITIONED OFFERS:** Bidders are cautioned that any condition, qualification, provision, or comment in their bid, or in other correspondence transmitted with their bid, which in any way modifies, takes exception to, or is inconsistent with the specifications, requirements, or any of the terms, conditions, or provisions of this solicitation, is sufficient cause for the rejection of their bid as non-responsive.
- e. **PRICING:**
- (1) Prices offered must be the price for new merchandise and free from defect. Unless specifically requested in the bid specifications, any bids containing modifying or escalation clauses shall be rejected.
  - (2) The price offered must be in accordance with the unit of measure provided on the bid response page(s). One (1) space or line requires only one (1) single, fixed unit price. Anything other than a single, fixed unit price shall result in the rejection of your bid.
  - (3) All unit prices bid should be within two (2) decimal points. If bidder's pricing exceeds two decimal points, LRECD reserves the right to round up or down accordingly.
  - (4) Bidder warrants by virtue of bidding that prices shall remain firm for a period of ninety (90) days from the date of bid opening to allow for evaluation and award.
  - (5) Bidder warrants by virtue of bidding that prices shall remain firm for the initial and any subsequent term unless modified by a special condition.
  - (6) In the event of mathematical error(s), the unit price shall prevail, and the bidder's total offer shall be corrected accordingly. **BIDS HAVING ERASURES OR CORRECTIONS MUST BE INITIALED IN INK BY THE BIDDER PRIOR TO BID OPENING. IF THE CORRECTION IS NOT PROPERLY INITIALED, OR IF THE INTENT OR LEGIBILITY OF THE CORRECTION IS NOT CLEAR, THE BID SHALL BE REJECTED.**
  - (7) Bidders may offer a cash discount for prompt payment. However, such discounts shall not be considered in determining the lowest net cost for bid evaluation purposes unless otherwise specified in the special conditions. Bidders should reflect any discounts to be considered in the unit prices bid.
- f. **SUBMITTING NO BID or NO CHARGE:** Bidders not wishing to bid on some items sought by this solicitation should mark those items as "no bid." If some items are to be offered at no charge, bidders should mark those items as "no charge." Items left blank shall be considered a "no bid" for that item, and the bid shall be evaluated accordingly. Bidders who do not wish to submit bids on any item in this solicitation, should return a "Statement of No Bid" in an envelope plainly marked with the bid number and marked "NO BID."
- g. **ACCEPTANCE/REJECTION OF BIDS:** LRECD reserves the right to accept or to reject any or all bids. LRECD also reserves the right to (1) waive any non-substantive irregularities and technicalities; (2) reject the bid of any bidder who has previously failed in the proper performance of a contract of a similar nature, who has been suspended or debarred by another governmental entity, or who is not in a position to perform properly under this award; and (3) inspect all facilities of bidders in order to make a determination as to its ability to perform.

LRECD reserves the right to reject any offer or bid if the prices for any line items or subline items are materially unbalanced. An offer is materially unbalanced if it is mathematically unbalanced, and if there is reason to believe that the offer would not result in the lowest overall cost to the LRECD, even though it is the lowest evaluated offer. An offer is mathematically unbalanced if it is based on prices which are significantly less than fair market price for some bid line item and significantly greater than fair market price for other bid line items. Fair market price shall be determined based on industry standards, comparable bids or offers, existing contracts, or other means of establishing a range of current prices for which the line items may be obtained in the marketplace. The determination of whether a particular offer or bid is materially unbalanced shall be made in writing by the Purchasing Agent, citing the basis for the determination.

- h. **NON-EXCLUSIVE:** The LRECD reserves the right to acquire some or all of these goods and services through a State of Florida contract under the provisions of F.S. 287.042 provided the State of Florida contract offers a lower price for the same goods and services. This reservation applies both to the initial award of this solicitation and to acquisition after a term contract may be awarded. Additionally, LRECD reserves the right to award other contracts for goods and services falling within the scope of this solicitation and resultant contract when the specifications differ from this solicitation or resultant contract, or for goods and services specified in this solicitation when the scope substantially differs from this solicitation or resultant contract.
- i. **OFFER EXTENDED TO OTHER GOVERNMENTAL ENTITIES:** LRECD encourages and agrees to the successful bidder extending the pricing, terms and conditions of this solicitation or resultant contract to other governmental entities at the discretion of the successful bidder.
- j. **PERFORMANCE DURING EMERGENCY:** By submitting a bid, bidder agrees and promises that, during and after a public emergency, disaster, hurricane, flood, or acts of God, LRECD shall be given "first priority" for all goods and services under this contract. Bidder agrees to provide all goods and services to LRECD during and after the emergency at the terms, conditions, and prices as provided in this solicitation on a "first priority" basis. Bidder shall furnish a 24- hour phone number to the LRECD in the event of such an emergency. Failure to provide the stated priority during and after an emergency shall constitute default of contract and make the bidder subject to sanctions from doing further business with the LRECD.
- k. **SALES PROMOTIONS / PRICE REDUCTIONS:** Should sales promotions occur during the term of the contract that lower the price of the procured item, the successful bidder shall extend to the LRECD the lower price offered by the manufacturer on any such promotional item. Further, any price decreases effectuated during the contract period by reason of market change or otherwise, shall be passed on to LRECD.

#### **4. BID OPENING/AWARD OF BID**

- a. **OBSERVING THE PUBLISHED BID OPENING TIME:** The published bid opening time shall be scrupulously observed. It is the sole responsibility of the bidder to ensure that their bid submitted prior to the published bid opening time. Any bid submitted after the precise time of bid opening shall not be considered and shall be returned to the bidder unopened if bidder identification is possible without opening. This solicitation has been issued as an Electronic Bid with the same title on DemandStar. To submit a response for this bid electronically follow the instructions on DemandStar. Electronic responses are the only method allowed for Bidders to

response to this solicitation. Bids shall be submitted on or before the date and time specified.

Failure to file a protest within the time prescribed shall constitute a waiver of this Protest Provision. LRECD's complete protest procedures are provided in the LRECD Procurement Policy, see <https://loxahatcheeriver.org/governance/purchasing-bids/>

## 5. CONTRACT ADMINISTRATION

- a. DELIVERY AND ACCEPTANCE: Deliveries of all items shall be made as soon as possible. Deliveries resulting from this bid are to be made during the normal working hours of the LRECD. Time is of the essence and delivery dates must be met. Should the successful bidder fail to deliver on or before the stated dates, the LRECD reserves the right to CANCEL the order or contract and make the purchase elsewhere. The successful bidder shall be responsible for making any and all claims against carriers for missing or damaged items.

Delivered items shall not be considered "accepted" until an authorized agent for LRECD has, by inspection or test of such items, determined that they appear to fully comply with specifications. The LRECD may return, at the expense of the successful bidder and for full credit, any item(s) received which fail to meet the LRECD's specifications or performance standards.

- b. FEDERAL AND STATE TAX: LRECD is exempt from Federal and State taxes. The Purchasing Agent shall provide an exemption certificate to the successful bidder, upon request. - c. PAYMENT: Payment shall be made by the LRECD after commodities/services have been received, accepted and properly invoiced as indicated in the contract and/or purchase order. Invoices must bear the purchase order number. The Florida Prompt Payment Act is applicable to this solicitation.
- d. CHANGES: The LRECD Purchasing Agent may make minor changes to the contract terms by written notification to the successful bidder. Minor changes are defined as modifications which do not significantly alter the scope, nature, or price of the specified goods or services. Typical minor changes include, but are not limited to, place of delivery, method of shipment, minor revisions to customized work specifications, and administration of the contract. The successful bidder shall not amend any provision of the contract without written notification to the Purchasing Agent, and written acceptance from the Purchasing Agent.
- e. DEFAULT: The LRECD may, by written notice of default to the successful bidder, terminate the contract in whole or in part if the successful bidder fails to satisfactorily perform any provisions of this solicitation or resultant contract, or fails to make progress so as to endanger performance under the terms and conditions of this solicitation or resultant contract, or provides repeated non-performance, or does not remedy such failure within a period of 10 days (or such period as the

Purchasing Agent may authorize in writing) after receipt of notice from the Purchasing Agent specifying such failure. In the event the LRECD terminates this contract in whole or in part because of default of successful bidder, the LRECD may procure goods and/or services similar to those terminated, and the successful bidder shall be liable for any excess costs incurred due to this action.

If it is determined that the successful bidder was not in default or that the default was excusable (e.g., failure due to causes beyond the control of, or without the fault or negligence of, the successful bidder), the rights and obligations of the parties shall be those provided in Section 5f, "Termination for Convenience."

- f. **TERMINATION FOR CONVENIENCE:** The Purchasing Agent may, whenever the interests of the LRECD so require, terminate the contract, in whole or in part, for the convenience of the LRECD. The Purchasing Agent shall give five (5) days prior written notice of termination to the successful bidder, specifying the portions of the contract to be terminated and when the termination is to become effective. If only portions of the contract are terminated, the successful bidder has the right to withdraw, without adverse action, from the entire contract.

Unless directed differently in the notice of termination, the successful bidder shall incur no further obligations in connection with the terminated work, and shall stop work to the extent specified and, on the date, given in the notice of termination. Additionally, unless directed differently, the successful bidder shall terminate outstanding orders and/or subcontracts related to the terminated work.

- g. **ACCESS AND AUDITS:** The bidder shall maintain adequate records related to all charges, expenses, and costs incurred in estimating and performing the work for at least three (3) years after completion or termination of this Contract. The LRECD shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the bidder's place of business.
- h. **EFFECTIVE:** The submission of the Bid will be deemed an offer by the Vendor. The Contract will be deemed awarded and validly entered into between the Vendor (Contractor) and the LRECD when written Notice to Proceed has been given by the LRECD through its authorized agent or a Purchase Order has been issued to the Contractor covering same.
- i. **DOCUMENT:** The Contract shall be comprised of the documents listed in the Table of Contents to the Invitation to Bid and all attachments thereto. These documents shall constitute the entire agreement between the Vendor and the LRECD. The Contract will bind the LRECD, and the Vendor and their partners, successors, assigns, and legal representatives.

## **SPECIAL CONDITIONS**

### **1. GENERAL/SPECIAL CONDITION PRECEDENCE**

In the event of conflict between General Conditions and Special Conditions, the provisions of the Special Conditions shall have precedence.

### **2. QUALIFICATION OF BIDDERS**

This bid shall be awarded only to a responsive and responsible bidder, qualified to provide the goods and/or service specified. The bidder shall, upon request, promptly furnish the LRECD sufficient evidence in order to confirm a satisfactory performance record. Such information may include an adequate financial statement of resources, the ability to comply with required or proposed delivery or performance schedule, a satisfactory record of integrity and business ethics, the necessary organization, experience, accounting and operation controls, and technical skills, and be otherwise qualified and eligible to receive an award under applicable laws and regulations.

The bidder should submit the following information with their bid response; however, if not included, it shall be the responsibility of the bidder to submit all evidence, as solicited, within a time frame specified by the LRECD (normally within two working days of request). Information submitted with a previous bid shall not satisfy this provision.

i. List a minimum of five (5) references in which similar goods and/or services have been provided within the past five (5) years including scope of work, contact names, addresses, telephone numbers and dates of service. ### **3. AWARD**

LRECD shall award this bid to the responsive, responsible bidder that provides the best value to the LRECD. Best value will be based upon cost, past performance, equipment quality, and demonstrated ability to meet waste and recycle hauling requests in a timely manner. Award may be in the aggregate, or by line item, or by group, whichever is determined to be in the best interest of the District.

The LRECD reserves the right to reject bids which would result in an award which is financially disadvantageous to the LRECD. An award may be considered financially disadvantageous when it would result in an award to a bidder for less than \$1,000, or when it would result in awards of multiple small fragments. This policy is predicated on avoidance of increased administrative costs and operational complexity. Therefore, it is necessary for a bidder to bid on every item in the particular lot for which the bidder submits a bid in order to have a bid considered. It is also required that the bidder carefully consider each item, and make sure that each one meets the specifications as indicated. In the event that one item does not meet such specifications for that lot, the entire lot

will be considered non-responsive. Additionally, if a bidder enters a No Bid, or N/A for any item in that lot, they will be considered non-responsive for that lot.

**4. METHOD OF ORDERING (TERM CONTRACT)**

A contract for the supply of liquid chlorine shall be issued for a single term of twelve (12) months, with no possible extensions.

**5. TIME FOR COMPLETION/DELIVERY**

**6. RENEWAL OPTION WITH ESCALATOR**

The successful bidder shall be awarded a contract for a single twelve (12) month time frame, with no possible extensions. Prices shall remain firm for the entirety of the twelve (12) month period.

Additionally, successful bidder shall provide for the prompt removal of all damaged equipment (i.e., trailers) from LRECD property. The policy shall be endorsed to include "Loxahatchee River Environmental Control District, a Special District of the State of Florida, its Officers, Employees and Agents as additional Insured".

Workers' Compensation and Employer's Liability Insurance. Successful bidder shall maintain Workers' Compensation & Employer's Liability Insurance in accordance with F.S. 440.

A signed Certificate or Certificates of Insurance, evidencing that required insurance coverages have been procured by the successful bidder in the types and amounts required hereunder shall be transmitted to the LRECD via the Insurance Company/Agent within a time frame specified by the LRECD (normally within 2 working days of request). <b>RATING</b>	<b>DEFINITION</b>	<b>NOTE</b>
Satisfactory	Performance meets contractual requirements. The contractual performance of the element being assessed may contain some minor problems for which corrective actions taken by the Contractor were satisfactory.	To justify a Satisfactory rating, there should have been only minor problems, or major problems the contractor recovered from without impact to the contract. There should have been NO significant weaknesses identified.
Unsatisfactory	Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The contractual performance of the element contains a serious problem(s) for which the contractor's corrective actions appear or were ineffective.	To justify an Unsatisfactory rating, identify multiple significant events in each category that the Contractor had trouble overcoming and state how it impacted the Government. A singular problem, however, could be of such serious magnitude that it alone constitutes an unsatisfactory rating. An Unsatisfactory rating should be supported by referencing the management tools used to notify the contractor of the contractual deficiencies (e.g. management, quality, safety, etc.)
