The following changes / clarifications have been made to the original Bid Documents. All Bidders must acknowledge receipt of Addendum #2 in their Bid Response.

Bidder Questions & Responses:

1. As you may know, the bid SIMPLEX AND DUPLEX LPSS PUMP STATIONS is in regard to the pricing of 4 different types of lift stations, however within Demandstar there is only 1 or 2 places I can place a bid amount? Out of the 4 prices, which one should I place within the "Bid Amount"?

Response: Bidders are OK to enter any of the unit prices or total them all in DemandStar. The evaluation will look at the individual unit prices in the Bid Response, page 18 of the contract documents and not the "Bid Tab" provided by DemandStar.
