

Loxahatchee River District
Request For Qualifications # 25-002-00141
2500 Jupiter Park Drive Phase 1
Addendum Number 1
January 03, 2025

The following clarifications have been made to the above referenced Request for Qualifications.

1. Please see the following questions and **answers**.
 - a) Can we list District employees as references? **Yes**
 - b) Do subconsultants need to submit complete SF330 Forms Part 1 and Part 2 or will resumes and Part 2 be sufficient? **Only one SF 330 shall be submitted. Part 1 and 2 should include all relevant information regarding the proposed Team which should include subconsultants.**
 - c) Does the District have an architecture firm on board for this project? **No**
 - d) The RFQ lists Architectural Design in the scope of services. Does this RFQ include the full design of the noted buildings? **Yes** If not, what is the anticipated architectural scope?
 - e) Are the proposed buildings anticipated to be prefabricated? **The expectation is the proposed building construction will meet min. Risk Category IV Ultimate Design Wind Speed requirements. [PZB - Building Division Table 1604.5 - Ultimate Design Wind Speeds](#)**
