<sup>&</sup>quot;THAT THE GOVERNING BOARD authorize the Executive Director to dispose of the items listed in the schedules above in accordance with the District's Disposal of Surplus Tangible Personal Property Policy."

### E. Change Order to Current Contract - to approve modifications

No Change Orders were presented for Board consideration this month

\*Mr. Baker left the meeting, which he was attending electronically.

### 6. REGULAR AGENDA

#### A. CONSENT AGENDA ITEMS PULLED FOR DISCUSSION

### B. Final Assessment 109 Old Jupiter Beach Road

Mr. Matt Sipowski, owner of 109 Old Jupiter Beach Road, provided public comment to protest the proposed assessment on his property.

In response to Mr. Sipowski's testimony, Dr. Arrington responded that the District and Mr. Sipowski entered into a letter agreement dated June 1, 2023, which clearly stipulated that Mr. Sipowski was requesting the District to design, permit, install, and maintain sanitary sewer service to his property at 109 Old Jupiter Beach Rd. At no time was this fully executed written agreement terminated. The District has fulfilled the terms of this agreement, and the proposed assessment is justified. Staff unanimously recommend approving the assessment as presented.

Chairman Boggie explained that he had reviewed the facts of this particular assessment, and he had met with staff and Mr. Sipowski. His review left him to conclude that the assessment was reasonable, and that it would be unreasonable to shift the assessment, or a portion of the assessment, to the District's general rate payers.

"THAT THE GOVERNING BOARD approve Resolution 2025-07 adopting the 109 Old Jupiter Beach Road FINAL Assessment Roll and Exhibits."

MOTION: Made by Dr. Rostock, Seconded by Mr. Rockoff Passed 3-0.

### C. Rule Chapter 31-2 Agenda And Scheduling Of Public Meetings

"THAT THE DISTRICT GOVERNING BOARD approve Rule Chapter 31-2, as revised, with an effective date of August 25, 2025."

MOTION: Made by Mr. Rockoff, Seconded by Dr. Rostock Passed 3-0.

## E. Fiscal Year 2026 – Budget Assumptions

Dr. Arrington reviewed the key elements of the draft budget. No Board action is requested at this time.

## 7. REPORTS

- A. NEIGHBORHOOD SEWERING
- B. LEGAL COUNSEL'S REPORT
- C. DIRECTOR'S REPORT

Dr. Arrington reviewed the draft wastewater surveillance letter that was included in the notebook. Dr. Rostock explained that this letter was intended for healthcare professionals in our service area, because "Wastewater samples can reveal outbreaks before your patients show symptoms!" Mr. Rockoff and Chair Boggie commended Dr. Rostock on the idea of creating this letter to better inform the local medical community about the availability of wastewater surveillance data on our website.

### 8. FUTURE BUSINESS
